A Petition to U.S Senators Elizabeth Dole and Richard Burr, and U.S. Rep. Charles Taylor:

We, the undersigned, seek your support in passing the Local Community Radio Act of 2005 (Senate Bill 312), introduced Feb. 8, 2005 by U.S. Senators McCain, Cantwell and Leahy.

The Local Community Radio Act of 2005 would greatly expand access to low-power FM radio by local civic and religious organizations, thereby returning local voices to the local airwaves.

The Local Community Radio Act of 2005 has broad bi-partisan support, and we urge you to join this effort to broaden local community access to the public airwaves.

**A Petition to U.S Senators Elizabeth Dole and
Richard Burr, and U.S. Rep. Charles Taylor:**

We, the undersigned, seek your support in passing the Local Community Radio Act of 2005 (Senate Bill 312), introduced Feb. 8, 2005 by U.S. Senators McCain, Cantwell and Leahy.

The Local Community Radio Act of 2005 would greatly expand access to low-power FM radio by local civic and religious organizations, thereby returning local voices to the local airwaves.

The Local Community Radio Act of 2005 has broad bi-partisan support, and we urge you to join this effort to broaden local community access to the public airwaves.
